You need not accept your boat until you are satisfied with your boat and equipment. However, once upon the lake, you alone are responsible for its operation. **Under these circumstances we cannot be responsible for any loss of cruising time due to: mechanical failure, weather, collision, or other physical mishaps, illness or personal accidents.**

- Your houseboat will be ready for boarding **sometime** between 12:00 p.m. and 5:00/6:00 p.m. or as soon as our staff and maids have completed their work. You can arrive as early as you want to on departure day but **BE PREPARED TO WAIT** until your boat is ready. If you get on it earlier than expected then think of it as a bonus.
